

# "Motor Vehicles from the last Century"

A celebration of classic motoring at Little Totham on Saturday 26th May 2018

Dear Classic Vehicle enthusiast.

To celebrate our love of older vehicles, a small team of local volunteers propose to organise a fun day at **Little Common, The Street, Little Totham CM9 8LB**, for owners of Motor Vehicles built in the last Century to come and talk to each other and display their vehicles to an interested public.

The show is co-organised by members of the All Saints Church under the auspices of the Parish Council. The event will take place between **11:00am and 4:30pm** on the village green (near the village sign). A refreshment tent, tombola stand and barbecued food will be available.

**I am therefore writing to invite you to attend with your vehicle to take part in a celebration of classic motoring and to talk to others about your enthusiasm and interest in your vehicle. We will try to make this as enjoyable a day as possible.**

We would be very grateful if you could complete the attached registration slip and return it to the address shown at the top of the slip. There is no charge for attendance but we welcome donations to All Saints Church and encourage use of the food and drink facilities. Please aim to arrive before 12:00 midday.

If you know of any other enthusiasts that live locally that would also like to attend, please feel free to photocopy this letter and pass it on. One registration slip required for each vehicle attending. Thanks.

The grass on the Little Common is always cut short, but if the ground is too soft or wet then it may be necessary to cancel. A decision will be made no later than Thursday 24th May and we will contact everyone on the registration list by telephone if the event is not going ahead.

Thank you once again for your support. Let's hope for dry and sunny weather like last year!

Dave & Hilary Oram. Tel: 01621 788688 or 07580 071788 (before 8pm please).

Please complete and return this registration slip to:
